

Count me in !!

Can you believe it? Our generous local businesses, residents, community at large, and volunteers have helped nearly 500 students go to college since 1987. Together, we provided \$66,000 in scholarships this year. That's impressive! We hope to beat that record with our current campaign so that next year many more of our students will be able to pursue a higher education.

Your participation **DOES MAKE A DIFFERENCE**. We have so many ways to play and pay into the scholarship program. All the information you need is available here and/or through the "more information" options listed below. We need you and your support to make this the best year ever. **CAN WE COUNT ON YOU?**
