Vehicle Year	Vehicle Make	Vehicle Model	Vehicle Color	License Plate State	License Plate #

I hereby authorize the above individual to be classified as a Connestee Falls Annual Guest to my property and be issued a special Annual Guest barcode for their automobile. I understand I cannot have more than two Annual Guests per calendar year unless otherwise approved by the General Manager of the Connestee Falls Property Owners Association (CFPOA).

It is my understanding that this classification **does not entitle my Annual Guest to the use of the CFPOA facilities or amenities** and is simply being issued to make it more convenient for them to come or go to my residence. All vehicle bar codes remain the property of the CFPOA and may be deactivated by the Association as determined by the CFPOA General Manager.

I further acknowledge that I have informed the above individual/s that the maximum speed limit in Connestee Falls is 25 mph or lower as indicated and that they must obey all traffic laws of the State of North Carolina while within the Connestee Falls community or their driving privileges may be suspended.

\$25 will be billed to my account for each bar code issued (no more than one bar code per person and no more than two individual Annual Guests). **It is my understanding that this bar code will be deactivated December 31 unless I notify the CFPOA in writing no later than December 10 that I would like to reactivate this bar code for the coming year and that I understand the appropriate charge (\$25) will be made to my account. It is my responsibility to notify the Association in writing of any changes existing through relationship to me or if my Connestee Falls property is sold.**

Date: _____
